**Britely** 

Sep 2011 - Dec 2012

Product Designer, Front End Developer, UX Planner

Britely is a startup. We are currently trying to crack a pretty awesome nut. Part knowledge base, part inspiration feed. All parts big thinking and tons of fun. As its a startup, I wear many hats here.

Oakland, CA, USA

**Sparkart INC.** 

Dec 2010 - Sep 2011

User Experience Designer

Sparkart is a wonderful place to work. Our clients are some of the biggest entertainment acts in the world. Its awesome to have worked with that amazing team on clients like Janet Jackson, The Killers, Bon Jovi, Rascal Flatts, Kathy Ireland and more. It was a sad day when I left the team.

Las Vegas, NV, USA

**BrainTrust Marketing** 

Aug 2008 - Dec 2010

Creative Director

I helped grow this little agency from four people to fourteen. I was instrumental in creating designs and developing campaigns and pitches that won us some very exciting clients and awards.
